

GET INVOLVED

.....

Animal Care and M.I.C.E. Volunteers must be at least 18 years of age. They must be self-motivated individuals with a sincere interest in working with wildlife. Attention to detail, a strong desire to learn and dependability are crucial.

Greenwood asks for a \$35 donation from all volunteers. This money funds the publishing of volunteer manuals and other volunteer services. And you get a Greenwood T-shirt!

There are plenty of other ways to help Greenwood if you have some free time to give. Flip through the rest of this brochure to discover all the possibilities!

VOLUNTEER

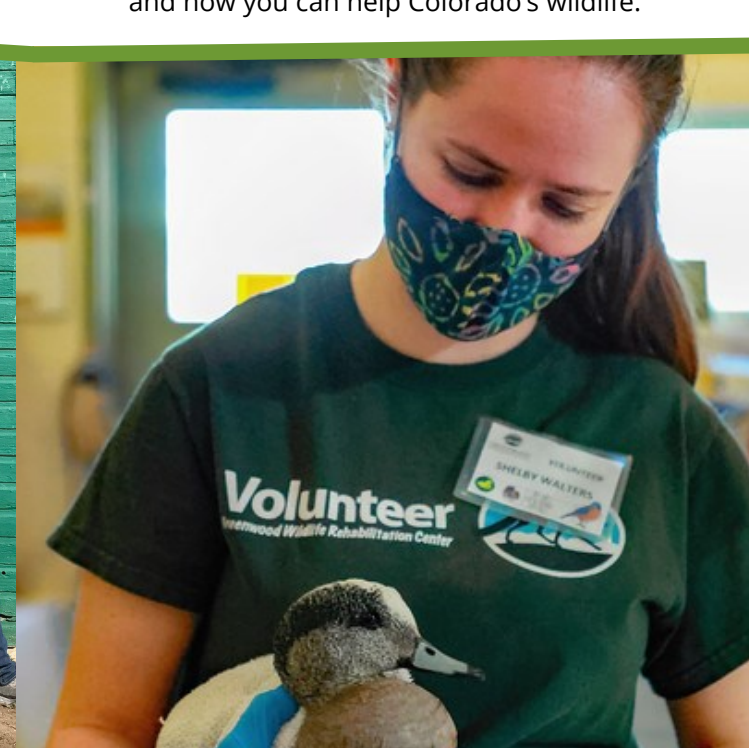

GREENWOOD

WILDLIFE REHABILITATION CENTER

Greenwood's mission is to rehabilitate orphaned, injured, and sick wildlife for release into appropriate habitats. We are the largest wildlife rehabilitation center treating mammals, birds, and waterfowl on Colorado's Front Range. We care for thousands of animals annually and over 200 different species have come through our doors since we were founded in 1982.

Greenwood also provides outreach programs for people of all ages regarding rehabilitation, humane solutions to human-wildlife conflicts, and how you can help Colorado's wildlife.

OPPORTUNITIES

Animal Care Volunteers Work hands-on with the wildlife admitted to Greenwood! Animal Care Volunteers are responsible for feeding, cleaning and general care of the animals. Specific duties include food preparation, hand feeding baby wildlife, cleaning cages, maintaining a clean environment, refreshing food and water, and other tasks as specified by staff.

Front Desk Volunteers Answer phone calls from individuals dealing with wildlife in distress and complete intake paperwork on new admissions of injured and orphaned animals. This position is vital to accomplishing the work we do at Greenwood.

M.I.C.E Team Volunteers (Most Important Care & Enrichment) Support the animal care staff by helping with food preparation, laundry, making sure our facilities are in tip-top shape, or landscaping.

Education & Outreach Volunteers

Visit schools and community groups to educate the public about wildlife and Greenwood's work. Use animal artifacts, presentations, and games to get kids excited about our local wild animals.

Thrift Store & Consignment Gallery

Attendant Volunteers Maintain an organized sales floor and assist patrons with merchandise at our retail stores in Boulder. All proceeds from the Greenwood Thrift Store & Consignment Gallery benefit the patients at our center!

Fundraising Volunteers Lend a hand with fundraising events, like our annual gala, "Wild Night for Wildlife." There are plenty of ways to help such as taking photos, manning game stations, soliciting businesses for donations, and more.

Volunteer Groups Greenwood accepts groups of volunteers (age 18 and older) to do maintenance, gardening, and cleaning projects around the facility. Volunteers don't have direct contact with the animals. Groups should be between 5 -10 people. This is a great way for your workplace to give back!

How Kids Can Help If you are a budding wildlife advocate that isn't yet old enough to volunteer at Greenwood, you can still help! Work on projects like building nest boxes, collecting supplies, and sponsoring an animal! Read more in the "How Kids Can Help under 18" brochure.

Visit Greenwood's website to fill out a Volunteer Application! www.greenwoodwildlife.org/volunteer

Call 303-823-8455 for more information.

***Some positions require a time commitment of five hours per week.**
