

GREENWOOD WILDLIFE REHABILITATION CENTER'S DINE OUT FOR WILDLIFE FUNDRAISER

WHO IS GREENWOOD?

Located in Lyons, we are the only center treating wild birds and mammals along the Front Range from north of Pueblo to the Wyoming border. We treat thousands of animals annually representing over 200 species of wildlife. Founded in 1982, we are a nonprofit 501 (c)(3) organization that relies on the generosity of our supporters to make our work possible.

HOW DOES DINE OUT WORK?

Your restaurant picks a day, any day, that it would be willing to donate a percentage of sales to Greenwood Wildlife. When we promote the event to our networks, your business will reach new potential patrons from your area and beyond.

WHY SHOULD MY RESTAURANT PARTICIPATE?

- Boost revenue for a day
- Generate positive community associations with your business
- Receive free marketing and brand exposure
- Support Colorado wildlife
- Feel good about giving back
- Donations are tax deductible
